

To Whom It May Concern: Regarding Michael Merrick

This is to verify Michael has remodeled our kitchen. Work performed in the kitchen included: knocking out a wall (framing) and moving it back several feet along with widening the opening to the kitchen, all new recessed lighting and adding additional electrical outlet. Michael ^{was} also finishing up a complete master bath remodel. Gutted the bathroom completely. He moved back a wall framed it finished it off, installed Jacuzzi tub, separate shower stall and doors, new cabinet, toilet and all fixtures. Also tiled floor and Jacuzzi tub.

Mike has been very flexible with my many changes and or additions to both rooms. He has always been very friendly and extremely reliable. We look forward to starting bathroom #2 with Mike very soon.
